

The graph illustrates the evolution of the number of nodes in the blue and red components over 7 iterations. The blue component decreases linearly from 200 to 0. The red component decreases from 200 to 180 at iteration 2, stays at 180 at iteration 3, decreases to 140 at iteration 4, and then drops sharply to 0 by iteration 7.

Iteration	Blue Component	Red Component
1	200	200
2	165	180
3	130	180
4	100	140
5	65	80
6	30	10
7	0	0
